## CANADIANA 1974

During 1974 the text and indexes of Parts III to VIII of CANADIANA were published as Section 2, with cumulations of Index A appearing in the March, June and October issues. The annual cumulation provides Index A to Section 2 of the eleven issues of CANADIANA 1974.

### Index A

This index attempts to provide every type of specific entry under which a publication may be sought. It includes authors (personal and corporate), titles, added entries (i.e. associated names such as editors, joint authors, etc.) and series. It also includes cross references from headings not used and, where relevant, histories of corporate bodies occurring as authors.

Index entries refer to the month, year and part of CANADIANA in which the main entry for the item sought is to be found, followed by the Dewey Decimal Classification number in the case of classified items. Thus, for Parts III-V reference is to the month, year and part, followed by the Dewey number, and the specific item sought will be found under the Dewey number subarranged alphabetically by entry. For Parts VI, VII and VIII, which are not classified, reference is to the month, year and part only and the item sought will be found in its alphabetical place by cataloguing entry. Detailed guidance for each part follows.

#### *Part III Serials (fully catalogued and classified)*

Reference is to the Dewey Decimal Classification number. Items are subarranged alphabetically by cataloguing entry.

Example: Directory of libraries in northwestern Ontario. Jan. 1974 Pt. 3 027.4'025'7131  
(This item will be found in the January 1974 issue, Part III, under the classification number 027.4'025'7131, subarranged alphabetically by cataloguing entry, in this case the title, Directory of libraries in northwestern Ontario)

#### *Part IV Pamphlet file material*

Title entry only appears in the index. Reference is to the principal classes of the Dewey Decimal Classification.

Example: Help us! Jan. 1974 Pt. 4 630  
(This item will be found in the January 1974 issue, Part IV, under classification number 630, subarranged alphabetically by title)

#### *Part V Sound recordings (fully catalogued and classified)*

Reference is to the Dewey Decimal Classification number. Items are subarranged alphabetically by cataloguing entry.

Example: Souvenirs. [Phonodisc] Jan. 1974 Pt. 5 785.42'5'2  
(This item will be found in the January 1974 issue, Part V, under the classification number 785.42'5'2, subarranged alphabetically by cataloguing entry, in this case the title Souvenirs)

#### *Part VI Films and Filmstrips Produced in Canada*

This part is not classified and items will be found in alphabetical order by title.

Example: Eye (Motion picture) Jan. 1974 Pt. 6  
(This item will be found in the January 1974 issue, Part VI, arranged alphabetically by title)

*Part VII Publications of the Government of Canada*

This part is not classified and items will be found in two lists, English and French, arranged alphabetically by cataloguing entry (generally the department or issuing body, although entries may be also under personal author, or especially in the case of serials, under title)

Example: Canada. *Dept. of Labour*. Labour standards. Jan. 1974 Pt. 7

(This item will be found in the January 1974 issue, Part VII, English Section, arranged alphabetically by cataloguing entry: Canada. *Dept. of Labour*)

*Part VIII Publications of the Provincial Governments of Canada*

This part is not classified. Reference is first to the province (the ten provinces are arranged in alphabetical order) Items are subarranged under each province alphabetically by cataloguing entry (generally the department or issuing body although entries may be also under personal author, or, especially in the case of serials, under title) Quebec publications are arranged in two lists, English and French.

Example: Alberta statistical review. Jan. 1974 Pt. 8 Alberta

(This item will be found in the January 1974 issue, Part VIII, under Alberta, subarranged alphabetically by cataloguing entry: Alberta statistical review)

## CANADIANA 1974

En 1974, le texte et les index des parties III à VIII de CANADIANA forment la Section 2 de CANADIANA. On retrouve l'index récapitulatif A dans les livraisons de mars, juin et octobre. L'index récapitulatif annuel A réfère à la Section 2 des onze livraisons de CANADIANA 1974.

### Index A

Cet index offre, autant qu'il est possible, toutes les entrées spécifiques sous lesquelles on peut chercher un ouvrage. Il contient des entrées aux auteurs (personnels et collectifs), aux titres, aux vedettes secondaires (i.e. certains noms associés aux publications tels que les rédacteurs, co-auteurs, etc.) et aux collections. L'index comprend aussi des renvois des formes non utilisées et dans certains cas l'historique des collectivités-auteurs.

L'entrée dans l'index réfère au mois, à l'année et à la partie de CANADIANA dans laquelle se trouve la publication cataloguée, suivie de l'indice de la classification décimale de Dewey lorsqu'il y a lieu. Donc, pour les parties III-V, la référence est d'abord au mois, à l'année et à la partie dans laquelle la notice paraît, suivie de l'indice de la classification décimale de Dewey; ainsi, dans cette partie, la publication se trouvera sous l'indice Dewey selon l'ordre alphabétique de la vedette principale. Pour les parties VI, VII et VIII qui ne sont pas classifiées, la référence est au mois, à l'année et à la partie seulement et la publication requise se trouve dans l'ordre alphabétique selon la vedette principale. Des renseignements détaillés sur chaque partie suivent ci-dessous.

#### *Troisième partie. Publications en série, cataloguées et classifiées en détail*

On réfère à l'indice de la classification décimale de Dewey. Les publications sont classées par ordre alphabétique de la vedette principale sous l'indice Dewey.

Exemple: Géoscope. Janv. 1974 Ptie 3 910.5

(Cette publication se trouve dans la livraison de janvier 1974, troisième partie, sous l'indice de classification 910.5, sous-classée par ordre alphabétique de la vedette principale qui est dans ce cas-ci le titre, Géoscope)

#### *Quatrième partie. Brochures, dépliants, etc.*

Dans l'index apparaît seulement l'entrée sous le titre. On réfère aux principales classes de la classification décimale de Dewey.

Exemple: Qui est-tu? Janv. 1974 Ptie 4 630

(Cette publication se trouve dans la livraison de janvier 1974, quatrième partie, sous l'indice Dewey 630, sous-classée par ordre alphabétique de titre)

#### *Cinquième partie. Enregistrements sonores (catalogués et classifiés en détail)*

On réfère à l'indice de la classification décimale de Dewey. Les publications sont classées par ordre alphabétique de la vedette principale sous l'indice Dewey.

Exemple: Dany Aubé. [Disque] Janv. 1974 Ptie 5 784.3'06'12

(Cette publication se trouve dans la livraison de janvier 1974, cinquième partie, sous l'indice de classification 784.3'06'12, sous-classée par ordre alphabétique de la vedette principale qui est dans ce cas-ci le titre, Dany Aubé)

*Sixième partie. Films et films fixes réalisés au Canada*

Cette partie n'est pas classifiée et les ouvrages se trouvent par ordre alphabétique de titres.

Exemple: Jeux d'été (*Film cinématographique*) Janv. 1974 Ptie 6

(Cette publication se trouve dans la livraison de janvier 1974, sixième partie, classée alphabétiquement sous son titre)

*Septième partie. Publications du gouvernement du Canada*

Cette partie n'est pas classifiée. Les publications se trouvent en deux listes, une anglaise et une française. Ces listes suivent l'ordre alphabétique de la vedette principale (généralement le ministère ou le corps administratif; en certains cas la notice peut être sous l'auteur personnel, ou, surtout lorsqu'il s'agit de périodiques, sous le titre)

Exemple: Galerie nationale du Canada. Portraits anciens du Canada Janv. 1974 Ptie 7

(Cette publication se trouve dans la livraison de janvier 1974, septième partie, section française, classée par ordre alphabétique de la vedette principale: Galerie nationale du Canada.)

*Huitième partie. Publications des gouvernements provinciaux du Canada*

Cette partie n'est pas classifiée. On réfère premièrement à la province (les dix provinces sont classées par ordre alphabétique) Sous chaque province, les publications se trouvent en ordre alphabétique selon la vedette principale (généralement le ministère ou le corps administratif; en certains cas la notice peut être sous l'auteur personnel, ou, surtout lorsqu'il s'agit de périodiques, sous le titre) Les publications du Québec se trouvent en deux listes, une anglaise et une française.

Exemple: Québec (*Province*) Bureau de la statistique. Les glissements de terrain au Québec. Janv. 1974 Ptie 8 Québec

(Cette publication se trouve dans la livraison de janvier 1974, huitième partie, sous Québec, liste française, classée par ordre alphabétique de la vedette principale: Québec (*Province*) Bureau de la statistique)
